VOTES AT MEETING NOT TO INDORSE

New Rule Urged by Boss **Barnes Means No Instructions** for State Delegates.

BEN ODELL PRESENT.

The State Committee Installs Barnes, Who Raps T. R. and Promises Political Feast.

Perfectly oiled and with every whee nd cog in its piace the Republicar of reorganizing itself to-day in the asof reorganising itself to-day in the as-sembly hall of the Republican Club in West Fortleth street. Everything was harmony of the most augusty kind. Those who thought that William L. Ward of Westchester might be present and throw a monkey wrench into the works were disappointed. Mr. Ward east a proxy. One explanation of his chaince was that he was still gumnocing after national committeemen

to were two festures of the meet that stood out of the routine. One o committee is forbidden to indome
y cardidate for public office and the
her was a velled fling taken at Cot.
herevalt by William Harnes Jr. after
had been re-elected chairman. Mr.
harnes was then apaching of the prinples of the Republican party, which Koenig, who escorted him to the itr, introduced him with a formality made one think the newly re-

clected was some unknown delegate from one of the northern tier counties. Mr. Barnes spoke of the disagreements which had existed when he first took office and said he was slad that they had all but disappeared. There was a national and State compaign of great moment coming on, he added, and it behooved everywoods to get out and hustle. Then he made his remark chout real and asparent public opinion. "I accept the chalemanship with reluctance," continued Mr. Barnes, "because it does not add to one's reputation. Of necessity it compels one to run into difficulties, personal disagreements and controversy."

Four men were manning the mysterious stranger. The machine was size of the level of the special outdoor test on the level of the country in the country is the country of the country of the country of the country is a machine in the four invention of clinical country is the country of the count

"I am going to remain as quiet as a speed capacity of twelve miles a min-suckling dove. The folks up our way," he added with a smile, "seem to be for Taft."

for re-election he said that one can't best somebody with nobody. The lorumr Governor said that so far as he could see there would be no compromise candidate.

The committee designated Nicholas United State convention, which meets a semicontrol to the State convention, which meets a seal from to-day in Rochester. It wis said that the men who would most it was a theroughly practical vehicle.

STRIKERS NOT TO RETURN UNTIL UNION IS RECOGNIZED.

Textile Mill Owners Threaten Engage Strike-Breakers to End Struggle.

The ranks of the 4.000 textile mi tkers in Passaic, N. J., and vicinity and men back to work by offering to work will be respected. We may have grant the demands for a general increase in wages. The strikers are determined to gain recognition of the strikers are determined to gain recognition. tood firm to-day despite the attempt termined to gain recognition of the union and this the mill owners seem equally determined not to grant. It was expected by the mill men that

the signs posted on the mill fences announcing an increase in wages and ask-ing the strikers to return to work would make big gaps in the ranks of the strik ers. not one man or woman testile sary, most of the railroad men insist-weaver deserted the cause of unianism. That the mill men will resort to strikebreakers if the strikers continue to hold out against concessionary offers was the report circulated to-day.

For the first time in more than forty years it is now possible for both foot passengers and vehicles to cross Park avenue at Fifty-first street, as a result of the completion of improvements by Crossing at hist St. Now.

MINERS DASH HOPE OF ENDING **BRITISH STRIKE**

Vote Is Against Accepting Would not hear "Teobel" just then. Wage Bill and Government, Alarmed, Will Open Mines.

LONDON, April 2 .- Government offimobilists stopped on Lindell Boulevard, between De Bailviere avenue
and Eninher read, St. Louis, to watch
the operation of a vehicular device
known as the aero-unicycle.

Four men were manning the mysterious stranger. The machine was
given its first outdoor test on the level
tested on Lindell, between Ekinker and
De Bailviere. Owing to the crowd of
speciators the inventors were afraid to

a lawyer, who lee clais and commercial circles were it yes or not?" And the laugh and say,

Against resuming work, 106,252.

For resuming work, 101,474. The balloting will end to-night and the complete result will be available early Wednesday. The conservative are troubled over the stand adopted by the men. They are satisfied that the maximum concession has been made that can be secured by law, and they if the union men will not return to work on their own initiative to bring into action every resource of the Gov-ernment to end the strike.

That belief was strengthened by the activity in military circles this afternon, isco in 4 hours osition to return to work was in danger larger military depots were got into gines were attached and baggage cars loaded down with camp equipment and supplies from the commissary depots.

The big transport automobiles of the engineers were fitted out, and it was stated that all of the fighting force in England, Scotland and Wales is ready on signal to move to the coal districts. Premier Asquith has made it plain that if the men will not go back to work he will send plenty of soldiers to the mines so that the owners can make good their boasts that they can operate with com-plete forces if they are only furnished

"We expect trouble and we are ready for it," said one of the leading officials this afternoon. "If the men will not accept what are really liberal terms then all we can do is to assure the mine

will be able to bring about a transport strike to aid them, the Government is prepared to furnish troops to run all passenger and perishable freight trains. fuel to the big centres of industry as to whether this step will be neces pathetic strike.

Shuster Gets Bank Job. WASHINGTON, April 2.-W. Morgan Shuster, deposed Treasurer-General of Persia, has been appointed South of the completion of improvements by its business primarily to South Ameri-the New York Central Railroad.

Doctors Use This for Eczema

Dr. Evans. Ex-Commissioner of Health, says: "Ecsema is a skin disease." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D. D. D. Prescription for Eczema.

B. Better, the well-linewa skin trouble of any kind, we certainly advise you to drop in on your druggiet and investigate the merits of D. D. anyway. He has investigated and he knows that D. D. D. will bely the skin trouble of the second that the state of D. D. D. anyway. He has investigated and the knows that D. D. D. will bely the skin trouble of the second that the state of D. D. TENOR ASKS \$6,000 NURSE IS FIRED FOR CLIMBING UP A FIRE ESCAPE

Gandenzi Tells Jury How He Five Others Quit J. Hood Wright Hospital as a Sympathetic Strike.

Guiseppe Gandenzi he seeng tenor. And As a result of he say Liebler & Co owe him mucha escape in the wee sma' hours by one money-seexa t'ousand dol'-for tenor he of the nurses of the J. Hood Wright did not seeng. To-day his plaint was Hospital six nurses walked out of the considered by Supreme Court Justice institution to-day, declaring they would Newburger and a jury. The suit harks never work there any more. One of the back to the muddle that occurred when six—the fire-escape climber—was fired mand the five others quit in sympathy.

Opera "Ysobel" in this country.

It could not be learned whether the Opera "Ysobel" in this country.

Gandenzi, with eighteen other singers, was "signed up" in his home in Italy by a representative of Liebler & Co. Each ascertained that a certain comely and singer received passage to this land of vivacious young nurse overstayed her dollars and an advance of half a month's leave last night or the night before and pay. This was to come piecemeal out decided to fool the superintendent by scaling the metal ladders on the east walked to the music of "Ysobel."

After the artists arrived they had nothing to do but sit around. Signor nurses who lifted her into a secluded corridor.

of Miss Moore, the superintendent. The pretty nurse was called to the office and questioned. She admitted the fire escape climb, but pleaded extenuating circumstances. The extenuating cir-cumstances did not extenuate, to Miss Moore's way of thinking, and the nurse was requested to depart. She went in tears to her five friends who in sympathy packed their kits and marched down to the office.
"If you fire Estelle"—that may or may

chorus, "we will go."
"Very good," said Miss Moore, "go:"

had abrogated his contract. They say they offered him an opportunity to earn his money in other opera companies and they offered him an opportunity to earn his money in other opera companies and in concert work.

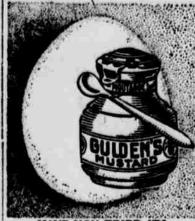

"I went to the office of Liebler & Moore to-day, "were graduate nurses," and I can fill their places in half an tour. Their departure has in no way zee representative, "Do you pay me, eet it yes or not?" And is laugh and say, "Oh, you imagine well what my an-
